The Partnership's **8th Grade Career Carnival** is right around the corner and we're still looking for vendors to present career opportunities to the youth. Here is your chance to showcase your business or profession, inspire young people, and maybe even get first dibs on a future employee or two!

There is no cost to participate.

Bring your enthusiasm for what you do and any materials or activities that might attract the interest of 13 year-old minds. The goal is to have every young person come away having learned about three new (to them) career options. Please register to present at [www.waynepartnership.org/8th-grade-career-carnival](http://www.waynepartnership.org/8th-grade-career-carnival)

The carnival runs from 9 - noon on Thursday, October 6, 2022 at the Wayne County Fair Grounds in Palmyra.
