

Your future starts here
 Apply to college for the first time or transfer to complete your degree.
 Navigate your entire college application journey with Common App. Common App is available on Google Play, the App Store or online <https://www.commonapp.org/>

As we prepare for another school year, remember...

- there's never a reason to make fun of someone for their height, weight, skin tone, home life or the things they enjoy.
- there's nothing wrong with wearing the same shoes every day.
- a used backpack carries the same dreams as a new one.
- don't exclude anyone for "being different"
- teasing hurts - school is for LEARNING, NOT to compete or spread negativity.
- some kids don't go home to loving families so it's important to be kind.

It all starts with YOU!

JOIN THE
YOUTH MENTAL HEALTH ADVISORY BOARD
Advocate for positive change in your community & throughout New York State!

The Youth Mental Health Advisory Board (YM HAB) plays a crucial role in informing policies for the Office of Mental Health, Office of Addiction Services and Supports, and advising the Governor. Your voice matters, and we are dedicated to empowering young people to make a difference!

Requirements:

- Middle or High School student interested in mental health, including with lived experience
- Application Process: Fill out the application for the Youth Mental Health Advisory Board (YM HAB)
- Commitment: Attend at least 4 meetings per year, 2 of which will be in-person in Albany (compensation, travel, hotel, meals covered).

APPLY NOW!

A healthcare provider order is required for both prescription and non-prescription (over-the-counter) medications.

A healthcare provider order is valid for 12 months. A healthcare provider order must include the following information: 1. Date 2. Student name and date of birth 3. Medication name 4. Medication dosage 5. Medication administration route 6. Time and frequency the medication is to be administered 7. The conditions under which the medication is to be administered 8. If applicable, attestation that the student has demonstrated they can self-administer the medication effectively, and the medication may be needed rapidly, requiring the student to carry it with them at all times. 9. The healthcare provider's name, title, and signature. 10. Healthcare provider's telephone number and address 11. Diagnosis. An adult must bring all medication to the school nurse in the original packaging/pharmacy-labeled bottle.
