The Health Coalitions present the 11th

SPEAK LIFE! 2024 HEALTH EQUITY CONFERENCE

The Latino and African American Health Coalitions convened by **Common Ground Health** announce the availability of sponsorship opportunities for their upcoming **Speak Life! Health Equity Conference**.

We are thrilled to extend an invitation to you to attend our upcoming 2024 Speak Life! Health Equity Conference. This event, aims to build upon the successes of previous Faith and Medicine - Working Together to Eliminate Health Disparities conferences. These conferences have been instrumental in fostering community action and focusing efforts to promote health equity.

Scheduled for **Thursday, April 25th, 2024, from 8:30 am to 2 pm**, at the Asbury First United Methodist Church, the conference will focus on the theme of “The Environmental Impact on Health.” Specifically, we will address how racism and discrimination shape our region’s environment to create health inequity.

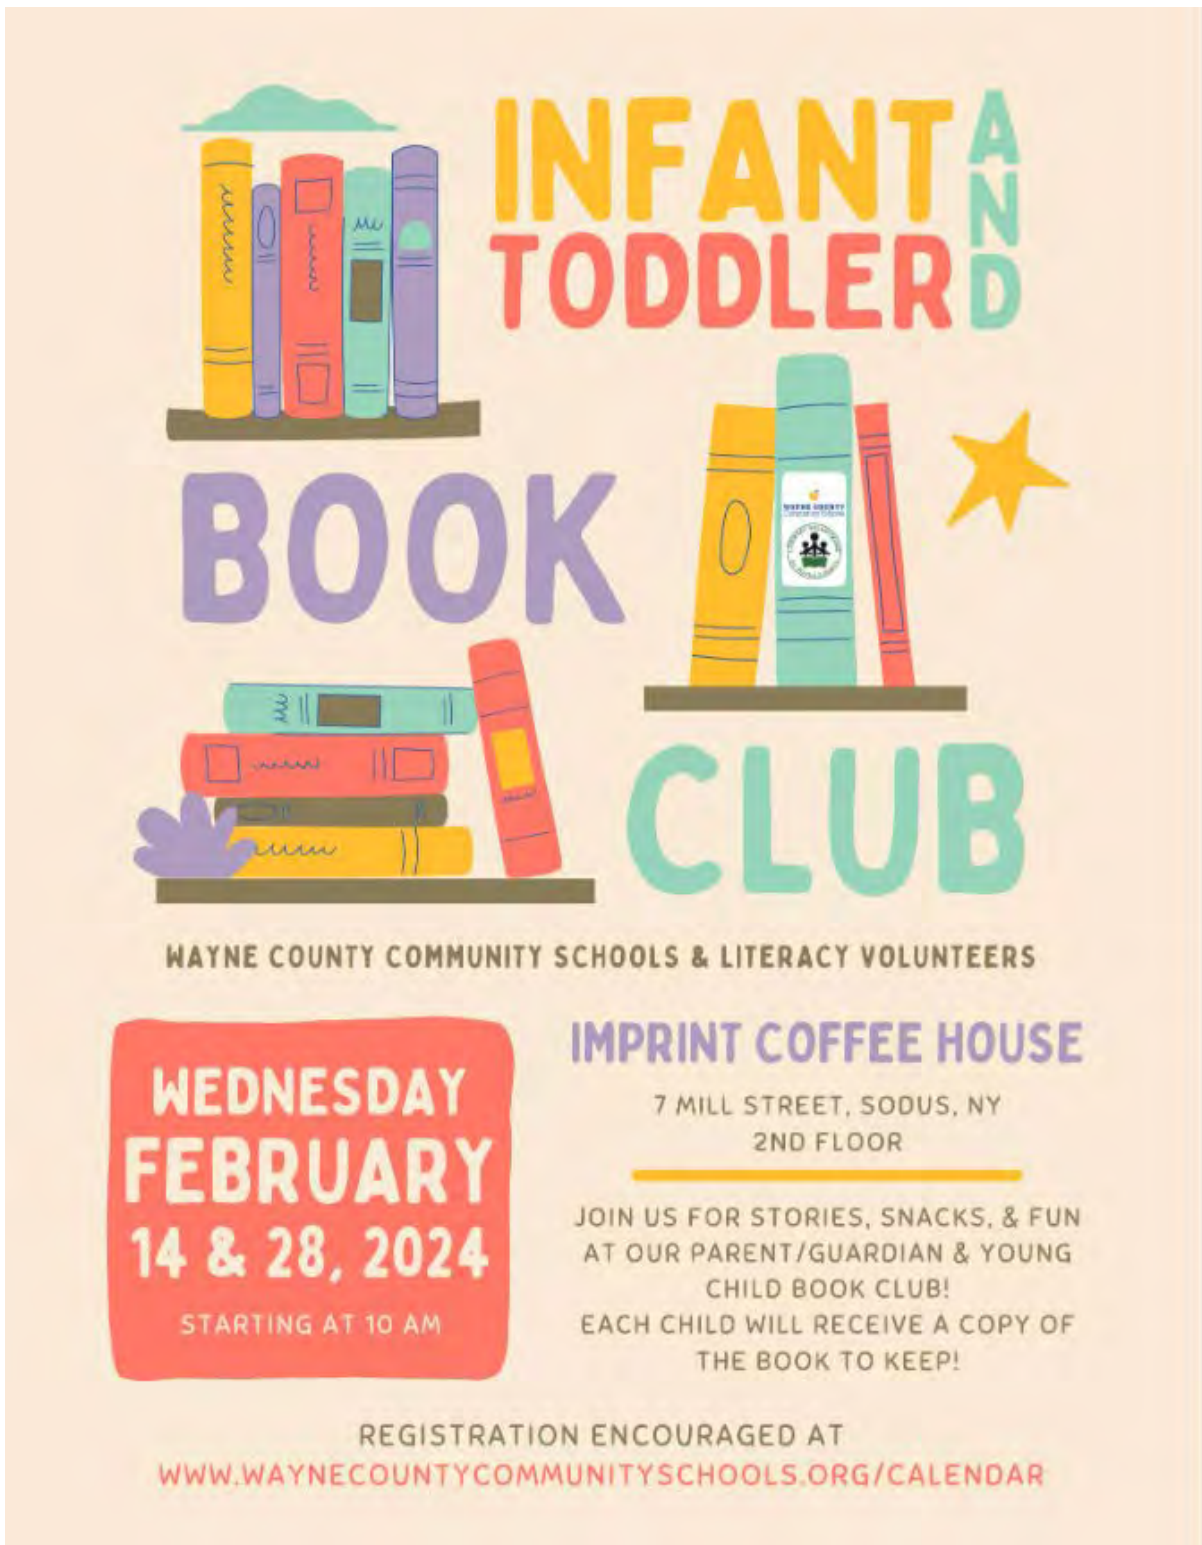

Anticipating the participation of approximately 200 individuals in person and another 100 online, the conference promises a day filled with thought-provoking speakers, guided small-group discussions, and skilled facilitators to inspire meaningful action. To ensure inclusivity, the event will be offered in both Spanish and American Sign Language (ASL) upon request.

We look forward to your attendance and hope to see you on April 25th.

Sincerely,

The Health Coalitions
