The **Cancer Services Program of the Finger Lakes Region** and **Newark-Wayne Community Hospital** have partnered again this year to host a FREE breast cancer screening day on Saturday, October 14 from 9 a.m. to 12 p.m.

1 in 8 women will be diagnosed with breast cancer in their lifetime. Early detection with a mammogram helps find breast cancer when it's often more treatable and curable.

To schedule a free mammogram, call: 585.224.3070
