The Wayne County Partnership

Issue # 123

March 21, 2024

*Welcome to the future of
the Wayne County
Partnership....*

Change is coming to the Partnership!

In recent months, our members have expressed concern about a perceived lack of readiness in our young students entering kindergarten. To address this concern, we have elevated the Wayne County Community Schools Early Childhood Task Force to a full-fledged Workgroup of the Partnership.

Early Childhood joins Family & Community, Wayne Wellness, and Community Schools as an area where we focus our Partner's energy. This new workgroup is co-chaired by Laura Brown and Chana Bierce and meets monthly on the fourth Monday at 9:00 am via Zoom.

The workgroup will primarily focus on the following objectives:

- Expanding parent engagement surrounding early literacy
- Improving Pre-K attendance
- Improving kindergarten registration rates
- Increasing the number of children reading at appropriate grade levels
- Supporting kindergarten transition teams in school districts

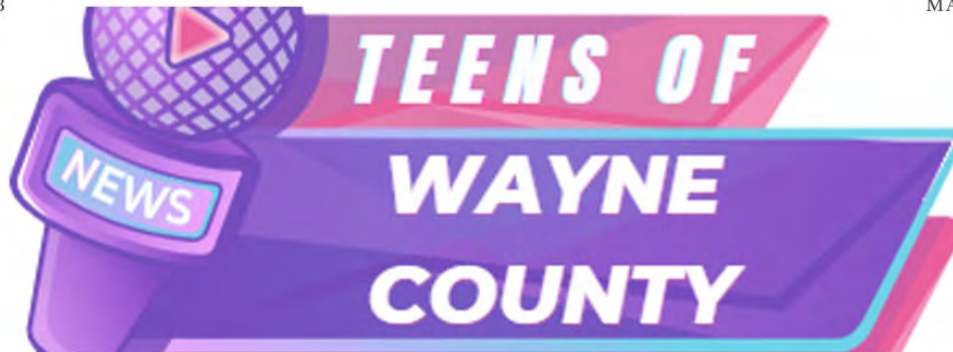

For more information, or to get involved with the Early Childhood Workgroup, [click here](#), or [email the Partnership](#).

CCE Wayne County is seeking a qualified finance coordinator to join our team. The Cornell Cooperative Extension Wayne County Finance Coordinator works under the supervision of the Executive Director to manage, implement, and coordinate the financial functions and processes for the Association. This position will be housed in the CCE Wayne County office and may provide shared services for CCE Yates County. \$25/hr with full benefits. <https://ccewayne.org/jobs>
